

Children . . .

. . . are very welcome on our Park but please ensure that they are properly supervised at all times.

In particular:

Football Field Only

- Please be aware of tide times (see the Park Notice Board) and ensure that your children appreciate the dangers of the open coastline,
- ♦ Please ensure that your children are aware of the dangers of cycling or skating on the park and are old enough to appreciate the presence of traffic and machinery,
- ♦ Please do not allow them to cycle or skate directly in front of the toilet block as our elderly guests may not see them on leaving the toilet block,
- ♦ Please do not allow your children to wear skates or roller blades on the grass,
- ♦ Please do not leave your children to wander around the site, out of your own line of vision, at any time,
- ♦ We do not operate a creche. No child should be left alone on the park and without a parent or guardian or supervising adult at any time,
- ♦ Please encourage your children to respect the pets in Pets Corner and any wildlife on the park and do not allow them to torment or harm the animals,
- ♦ Please ensure that your children do not play in or around the toilet block,
- ♦ If your child is under 10 you will need to accompany him or her into the toilet block, Tourist Information Room, Campers' Kitchen or Laundry,
- ♦ Ball games and kite flying are only permitted in the football field or on the shore, and
- ♦ Please encourage your children to respect their neighbours and to keep noise levels to a minimum, particularly after 8pm.

Thank you for working with us to make this a better and safer place for all ages to enjoy.
