# Queensberry Bay

THE place to stay!

our touring pitches

powfoot - annan - dumfriesshire - 01461 700205

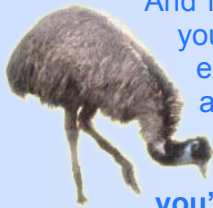

Can you remember the last time you looked up at the night sky - and saw nothing but stars?

... or the last time you stopped to listen - and heard nothing but the sea?

... when was the last time you slept like a baby after a hard day's paddling??

**Welcome to the secret that is Queensberry Bay - a magical place where time stands still.**

And if you love wildlife, peace and quiet, if you love open spaces and the freedom to explore, if you hark back to the days of a **welcoming smile** - and don't object to the occasional llama or emu peering at you over the fence - **then you'll just love it here.**

With our **flat tidal beaches**, **safe** and **quiet** country roads (we're on the SUSTRANS 7 route), our **vast sunsets** and **crystal clear** night skies, you can **pamper yourself** in our **private & luxurious spa suite** - or just sit in the comfort of one of our superb letting units with a good book and a cup of cocoa - whatever you want to do **we'll do our best to make it happen.**

Of course we can't guarantee good weather in this part of the world - but if a brisk walk in a bracing sea breeze doesn't blow away the cobwebs, nothing will!

**Apart from the weather though we have everything you'd expect of a top end 4-star holiday park, including:**

- a luxurious private hire spa facility with spa, hot tub & sauna and treatments

- a small, well stocked shop with oodles of visitor information and serving
- our Pauline's delicious bacon rolls (made with local bacon & bread), teas and coffees (& if you ask nicely she'll even do you a hot chocolate with a mountain of squirty cream!)
- our Pets Corner - loved by young & old alike & featuring eric, our famous smiling donkey.

In terms of touring we have something for everyone!

**Shoreside** - these are our premium touring pitches - premium because of location & premium because of size.

We figure there's nothing worse than being crammed onto a pitch right up against someone you've never met before - so in 2009 we took the decision to **double the size of our Shoreside pitches - but not double the price!**

So you still have the same great views & still get water & electricity included - you just get more room for your money & - which is the aim after all - a stress free stay!

**Shoreside is very popular** - so do make sure you book in plenty of time!

**Fieldside** - as the name suggests, these pitches look over the surrounding countryside & our pets corner & are situated towards the back of the park.

Much of Shoreside is adult only - **ALL of Fieldside is adult only** so you'll find yourself amongst like minded guests. Again there's plenty of room - & electric's included in the price.

**Kiddies Corner** - again as the name suggests - we're getting good at this! - these are our main family pitches located in the Paddock area alongside our family seasonals - more space, less traffic, our mini football field - & there's a great family atmosphere in the Paddock. Again, electric's included in the price.

**Non electric** - don't want to pay for a hook up?

We also have some non electric budget pitches for hikers and for tourers or campers which - believe it or not - don't have an electric hook up!

**The Wigwam** - why camp in the cold and wet, when you can **sleep soundly** in a warm, heated wigwam? Sleeping up to 4 on a raised platform our Wigwam is on a Shoreside pitch with superb views, comes complete with fridge, kettle, microwave - & is just around the corner from the showers!

**Spa mini breaks**

Why not combine your stay with one of our **superb spa sessions or treatments** - ask us for details & prices. **It's just brilliant!**
